Semi-annual Maintenance Service

Maintenance service: Lubricate the torsion springs, inspect all hinges and rollers for cracking, ball-bearing integrity and loose screws. Inspect the cables for any fraying, insure the door is operating smoothly, provide re-balancing of the springs, if necessary.

Preferred customer status: Guaranteed 24-hour service for any damage or maintenance issues that may require a service call for the life of the garage door. Does not apply any discounts towards the service required, only insures 24-hour response time.

Ten-year spring replacement: Valley Garage Doors will replace any broken torsion spring(s) at no cost, for a period of up to 10-years from the date of installation.

Lifetime spring replacement: Valley Garage Doors will replace any broken torsion spring(s) at no cost, for the life of the garage door. Only applies to the original purchaser and garage door (not transferable to another owner or another garage door).
